LAN Party Night: February 10<sup>th</sup>, 2012  
Cost: FREE!!!

Dear Parents and Guardians,

Whitewater Computer Club will be holding a LAN party on Friday February 10<sup>th</sup>, 2012. For those of you that do not know, we hold a LAN party about once a quarter. Computer Club will meet as normal on Friday after school. However, after 11:00 P.M., those that turned in the permission form are allowed to stay and continue playing games until 10:00 A.M on Saturday. If no form is turned in, the student must leave at 11:00 P.M. During these LAN parties, we have both female and male staff members present and students are not allowed to leave between 11:00 P.M. and 8:00 A.M.

## *Food and Drinks*

We will provide pizza and some soda at no cost. Students are encouraged to bring additional soda or food for the LAN party as they are unable to leave the building after 11:00 P.M., and it will be a long night!

## *Sleeping Arrangements*

We will have gender specific sleeping areas set aside for students that wish to go to sleep. Adults will be passing through these areas to ensure those rules are being followed. There will be limited couch space and no pillows or blankets present, so if those are wanted, they will need to be brought by the students.

## *Games and Other Stuff*

As always, we will have computers available to use. We will also be providing a couple of X-Boxes and some TVs. If a student would like to bring a different console (such as a Wii), they are permitted to do so. However, Whitewater Computer Club is not responsible for looking after it. Board games are also allowed to be brought if the student chooses. Movies are allowed and we will attempt to find a projector to show them on a large wall!

- *Game Rules: Games must be T rating (or below) or approved others. For example, No Grand Theft Auto, but Call of Duty is allowed.*
- *Movie Rules: Rule of thumb - limited swearing, no nudity*

If you have any questions, please do not hesitate to call Andy Rowland at 920-728-3353.  
Have a great day!
